Twin Pine Farm Country Store is a farm market that features a butcher shop, bakery and a grocery store.

At Twin Pine they raise their own beef (with no hormones), and offer the freshest fruits & vegetables of the season. All of their vegetables are grown right at the farm or are acquired from other local sources.

Also featured is an in-house bakery, a full lunch and dinner menu, deli, soups, sandwiches, broasted chicken, a hot bar, daily lunch specials, locally grown pork products and even country crafts!

Locally owned and operated by the Ilyes family, Twin Pine is here to help you find, choose and appreciate great local food. Please stop by and see them during the Farm Stand Tour on August 8th.
